**Subject:** About this weather...

Hi, [Name],

Many locations across the U.S. have been hit by unpredictable weather in the past few weeks. I hope you and your family are safe and well.

If you have been affected, please let me know how I can help.

If you're safe, and I hope you are, you may be wondering what your insurance policy does and doesn't cover should weather-related issues hit.

I am here for you and I am happy to review your policy or answer any questions you may have when it comes to your coverage and the weather. Let me know if you'd like to chat.

Thank you,
